Dear [redacted] 25X1

As you know, when I was in London I discussed transfers to Cyprus with [redacted] 25X1 While I did not make them any promises, I did indicate that it was my intention at that time to transfer them to Cyprus when the new station opened, if it was agreeable to them.

For your planning purposes and also for their individual information, it is now expected that the new station on Cyprus will not be activated prior to 1 February 1949. If it actually works out that this is an accurate date, their transfers to Cyprus would not be before January of 1949. I would like for you to convey this information to them.

Sincerely,

L. K. White
